

Our mission is to ensure that Personalised Care is an everyday reality for people who provide and draw upon health and care services in England

## News and resources

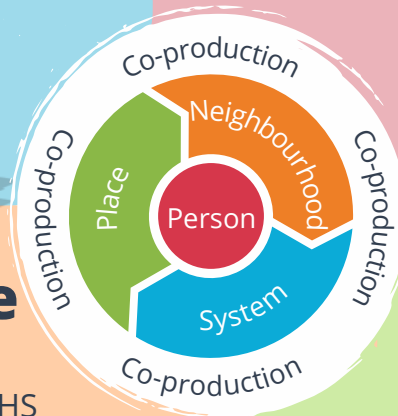

Our [monthly newsletter](#) shares resources, events, news and other Personalised Care-related information which helps to:

- Amplify Partner voices
- Support research and pilot projects
- Share emerging best practice
- Provide up-to-date resources
- Communicate upcoming events

## NHS England

Through our strong relationship with the NHSE Personalised Care Group, we offer our Partners the opportunity to influence policy development and provide feedback at early stages of new initiatives

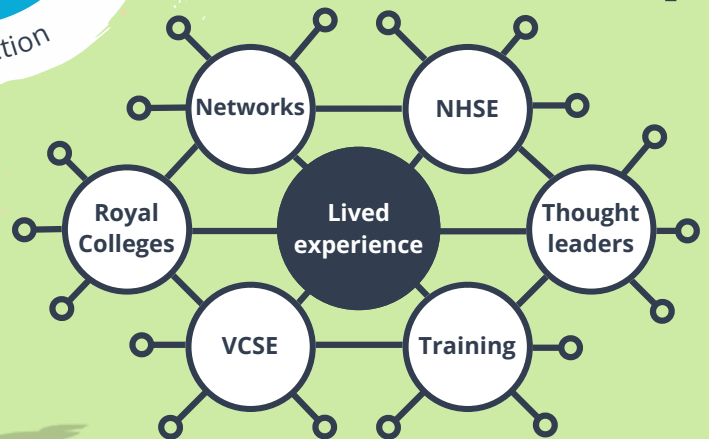

## Personalised Care

Our website contains a wealth of information on all aspects of the [NHS Comprehensive Model of Personalised Care](#):

- Shared decision making
- Personalised care and support planning
- Enabling choice, including health literacy
- Social prescribing & community-based support
- Supported self-management
- Personal health budgets

## Partnership

We work collaboratively with our [Partners](#), with their insights and input guiding our work
