

Hello,

After having worked as a languages teacher in York for 24 years, my passion to help others has now transferred to my home organising business.

I offer a wide range of services, from sorting kitchen cupboards, that drawer of bits and bobs to garages, lofts, sheds and mounting paperwork! Working alongside you, I teach techniques on how to declutter effectively with long term impact.

Working in collaboration with a range of other local businesses including a painter, handyman, charity shops and auctioneers; my philosophy is to re-use, re-purpose and re-recycle whenever possible.

Freeing yourself from unwanted and unneeded objects is both mentally and physically rewarding, making you happier and with more time to do the things you enjoy - not tidy!
