

Introduction to Personalised Care and Personal Health Budgets – Workshop Three

Learning outcomes for this workshop

- Describe the real and positive impact of PHBs through a lived-experience story from a PHB holder
- Gain answers to informed and reflective questions about PHBs, drawing on both personal and professional narratives
- Recognise that a personalised approach to care can transform lives

Today's focus

Showing what is possible...and the huge positive impact when we get Personal Health Budgets right

Questions

Let's grow
this!
